Holly Giampietro, Guidance Technician

Alycia Lenart, Student Assistance Coordinator

### ABOUT THE EXETER TOWNSHIP SCHOOL DISTRICT

Our township is located in Southeastern Berks County, Pennsylvania. We are a suburb of the City of Reading, with a population in excess of 25,000 residents. The total enrollment of our senior high school is just over 1,400 students, with a senior class of 388 students. Our schedule is based on a modified intensive block, with alternatives including (but not limited to) special education, academic support services, the Berks Career and Technology Center, and school to career, co-op programs. Students have the opportunity to earn a maximum of eight (8) credits per academic year.

### MARKING SYSTEM

A cumulative class rank is determined at the end of each year in grades 9 through 12. A student's grade point average and rank reflect the academic achievement of the student's final course grades and are computed cumulatively on the basis of a 100 percent scale at the conclusion of each year. The most rigorous academic courses are weighted 1.05 for Honors courses and 1.10 for college level Accelerated and Advanced Placement courses.

#### *Grade Conversion*

100 - 92 = A    91 - 82 = B    81 - 72 = C

71 - 60 = D    59 and below = F

### DUAL ENROLLMENT

Exeter Township Senior High School was the first school district in Berks County to enter into a dual enrollment agreement with Reading Area Community College. Exeter currently offers 16 courses whereby students have the opportunity to earn credits from Reading Area Community College.
