Chapter Homework Rubric

Purpose: Each chapter homework packet contains required material that students need to read and examine on their own time. Much of this material will supplement material covered in class. Due to class-time limitations, students are expected complete this material to ensure they have enough background knowledge to accurately complete all in-class activities. Not only does homework help with labs and exams, it is also a simple way to keep your class grade points up.

Points Possible: Each student homework packet will be graded for completeness, accuracy and writing(sentences and legibility). 30 to 50 points maximum (shorter chapters may have few questions, hence fewer points.) Types of questions will vary.

Reviewing Concepts: Each question is worth 2 points, answer **in complete sentence**

Vocabulary: define each assigned word(each worth 1 point) in own words or from book. Must be accurate and complete (NOT necessary to be in a sentence)

Reviewing content: multiple choice questions, .5 points each

Understanding concepts/analyzing data questions: May be chosen for some chapters. Each worth 2 points. **Answer in complete sentence**

Points per quest.	2	1.5	1	.5	0
Reviewing Concepts	Accurate answer Complete sentence	Accurate answer Incomplete sentence	Partially accurate answer	attempt at answer	No attempt
Vocabulary			Complete and accurate definition	Incomplete or partially accurate definition	No attempt
Reviewing content				Correct letter chosen	No attempt
Understanding concepts/or analyzing data	Accurate answer Complete sentence	Accurate answer Incomplete Sentence	Partially accurate answer	attempt at answer	No Attempt

All the above rubric points are for homework packets handed in on due date, at beginning of period. Late packets will be lose up to 10 pts possible per day. No packets will be accepted after class work is handed back without special circumstances. Absent students will have 1 additional school day for each day absent w/o penalty for lateness
